

Criss Cross 3 Addition 1  
Maths worksheets from mathsblog.co.uk

**Equipment:**

Red and blue counters (or similar), calculator

**How to play:**

A game for two players.

Player 1 chooses two numbers from the list below.

Add the two numbers on the calculator. If the answer is on the grid place a red counter on that square.

Player 2 chooses two numbers from the list below and adds them on the calculator. If the answer is on the grid place a blue counter on that square.

Once a number has been covered it cannot be covered again.

The winner is the first person to put three counters in a row, across, down or diagonally.

|    |    |    |
|----|----|----|
| 13 | 10 | 9  |
| 12 | 17 | 15 |
| 16 | 14 | 11 |
